

DURABLE & HYGIENIC
WALLCOVERING
YOU CAN CUSTOMIZE

Many of you have asked, especially when it comes to new markets and initial installations; can we provide some product free of charge? Additionally on larger projects there is usually a request for an initial mock-up of the product and process. Outlined below is our standard **Mock-up Policy** for each of our Wall Systems:

Vitrulan VRP® Wall System

VitrulanUSA will provide at no cost one full unit of each component of the VRP Wall System as follows:

1. One full roll of selected base Glass Textile Wallcovering Pattern (to be selected by the client), 269 s/f per roll.
2. One full Gallon (Parts A & B) of PlusCoat 200 – tinted to color selected by the client. 275 s/f coverage.
3. One full Gallon (Parts A & B) of the specified Plus Coat final finish
 - a. 400 – Gloss (400 s/f coverage)
 - b. 500 – Satin (400 s/f coverage)
 - c. 600 – Matte (350 s/f coverage)

Mock-up material does not include adhesive or installation. Labor is to be borne by the client.

CINCH Magnetic Wallcovering – SCRIBIL Dry-Erase Option.

VitrulanUSA will provide at no cost one roll (53 s/f) of CINCH Magnetic Wallcovering.

If the SCRIBIL Option is specified for Dry-Erase capability, we will provide one 80 s/f kit of the product (Parts A & B).

- As CINCH Magnetic Wall Covering must be painted for installation the selection of the paint and color will be the responsibility of the client.

Mock-up material does not include adhesive or installation. Labor is to be borne by the client.

Approval of ALL Mock-up Requests must be secured from Ger-Eck, LLC/VitrulanUSA prior to commitment to client and will be evaluated on a case by case basis.
